Declutter Days

REMIE MARGOT FREE DECLUTTER DOWNLOAD 2022

Hello and welcome to our Declutter Download. We hope it is of some use to you and can help to organise your home. We have kept it simple and printable so you can print all or some of the pages to use.

Whilst you are decluttering, you just need to think?

Do I really love it?
Have I used or worn it in the last year?
Am I keeping it for sentimental value?
Would I buy it again?
Do I have another one?
Is it someone else's?
Is it complete?
Is it damaged at all?
Do I need the space it is taking up?

We wish you a stress-free and fabulous declutter and thank everyone who has purchased our boxes, gifts, or visited our website, also to those who have taken the time to like, comment, post, or share on our social media platforms, we really do appreciate it. Rx

You can subscribe [here](#) or if you would like to take a look at our past boxes, just click [here](#)
